

Project: Lindon Small Business Fiber Connections

Recipient: City of Lindon

Location: Lindon, Utah

Purpose: The requested funds will be used to connect over 500 businesses to Lindon City's fiber optic network. Currently, these businesses are within reach of the network but are unable to afford the cost of connection. These funds will allow Lindon City to retain businesses currently located in the community and to attract new businesses to relocate to the area. Those connecting to this network benefit from reduced monthly expenses and vastly improved services.

Amount: \$749,000
